## NEED HELP FINDING SCHOLARSHIPS?

Don't wait until you get that first college bill to think about how you will pay it. Many students get a sticker shock come July when they get their first college bill and realize they need more money than they expected.

The Community Education Center will be hosting a workshop for students and parents who want to learn about Scholarship Opportunities. We have partnered with PHEAA, Elk County Community Foundation and Northern PA Regional College to share tips to help you find money to pay your college bills.

- ◆ Types of scholarships
- ◆ Where to find them
- ◆ When to apply

- ◆ Discover all the local community based Scholarships available in Elk, Cameron, McKean, and Potter Counties
- ◆ How and when to apply

- ◆ Local Dual Enrollment and summer guest options to save you money

**OPEN TO STUDENTS/PARENTS IN ELK, CAMERON, POTTER and McKEAN COUNTIES**

**Registration is required.** The virtual link will be emailed to you upon registration.
